Dear ICN Members and Registered ICN Annual Conference attendees,

As we all follow developments regarding COVID-19, we would like to update you on the status of the ICN 2020 Annual Conference. Currently, we are looking at the feasibility of rescheduling to early September to ensure that all of our attendees can enjoy the conference worry free.

Our decision-making and preparations will be guided by information issued by public health agencies, such as the Centers for Disease Control and Prevention (CDC) and the World Health Organization (WHO), and informed by local conditions. We will continue to provide updates by e-mail and on the conference website.

Yours sincerely,
