2026-27 Work plan (Formal closure)

Having achieved their objectives, the co-chairs have proposed closing this special project in 2026-27 and will deliver the following final outputs

PROJECT	DESCRIPTION	ACTIVITY OUTPUTS, MILESTONES, TIMING
1. Sector Review Reports <i>Continuing project – Final year</i>	Finalization of two in-depth sub-sector reviews in the Poultry and Global Commodity Traders-looking at concentration and competition concerns in the sector, informed by case studies, inquiries and the group's 2024 survey.	(i) Poultry sector review — First Draft Review of working paper draft (by 10 Jul), 2 nd Draft review (15 Oct); Final report for Steering Group approval (Dec 2026) (ii) Global commodity traders First Draft review of working paper draft (by 10 Jul), 2 nd Draft review (15 Oct); Final report for Steering Group approval (Dec 2026)
2. Food & Agriculture showcase of final work outputs	A number of deliverables showcasing the special projects' final work outputs via webinar; and working group partnership projects; and potentially a closing presentation at AC-2027.	(i) Food & Agriculture webinar showcase — March 2027 featuring the special project's finalised outputs, incl. Price monitoring toolkit; and sector reviews. (ii) Partnership with the other working groups to integrate the Special Group's key findings and recommendations into existing Working Group' 2026-27 project or activity. Food and Agriculture themes including advocating pro-competitive food policy reforms, cross border merger and cartel enforcement, investing in agency effectiveness and capacity initiatives; and enhancing access to data.
